

Directions to Bowling Green shoot site (from St Louis)

Take 61 North from I-70 3 miles PAST the HWY 54 exit at Bowling Green. The turn will be the third exit past the 54 exit at County Road U and you will exit from the left lane side of HWY 61. After making a left across HWY 61 make a left onto old HWY 61 and drive just 100 feet and make a right onto county road "U". Drive about a mile up "U" and you'll see a MOPYRO sign. Turn left immediately into a rock drive, which goes past barns to a gate. Keep gate closed as we are sharing the shoot site with a few cows. The property is owned by Joe Bruch. Most people in the county know him if you have to ask directions.
